INDUSTRIES YEARBOOK 2023

The most important guide to the UK surface treatment industry, the Finishing Industries Yearbook, will be published in November 2022. Now in its 45th year of publication, it has evolved into a comprehensive reference source to this ever changing market.

To make it as useful as possible for our readers - your potential customers - this unique reference source contains an extensive editorial section, providing topical and relevant information for all involved in the surface treatment industry. There is also a section containing key Associations representing the surface treatment and finishing industry; an updated and comprehensive A-Z name and address section of suppliers; a buyers guide of several hundred product categories; a list of trade names and their uses; plus a unique

Regional Guide of Trade Coaters, listing them within seven geographical areas of the UK alongside a new 'Rest of World' region to allow classification for overseas companies.

To ensure that your company and products are represented in this invaluable and unique publication, please complete and return this form without delay via email to b.williams@turretgroup.com.

or post to: *Barbara Williams, Turret Group Ltd
Cardinal Point, Park Road, Rickmansworth, Herts WD3 1RE.*

Basic A-Z listings are free, although several ways of enhancing your marketing message are given within these pages - see how you can make your entry stand out from those of your competitors, by adding your logo!

STEP 2 of 4: Choose product headings - one checked box is Free of Charge, extra headings are charged @ £9.00 + VAT

For your company to appear under the headings of your choice, just select the appropriate boxes. Remember to select the box next to the relevant product heading and under the regional area in which your company is based *eg. a chromating company from Hull would select heading 628*. Your company name will then be listed under each of the chosen categories, in alphabetical order. *Please note*, you are entitled to **one product heading Free of Charge** (one checked box in either the Classified Buyers' Guide Section or the Regional Service Guide Section). Each extra heading selected is charged at £9.00 +VAT, or if you wish to add prominence to your entries then you might like to include a panel above your company name, under your chosen categories, at a cost of £70.00 +VAT per panel entry (see full details at the end of Step 2, following the Regional Service Guide selection boxes).

STEP 2 of 4 (continued): HIGHLIGHT YOUR CATEGORY HEADING WITH A PANEL ENTRY

CHARGEABLE ITEM

Panel entries enable you to actively promote your company under your chosen categories in the Product Guide section at a low cost. Panel size is approximately 40mm x 40mm. The cost is just £70.00 (+ VAT) per entry.

Each entry contains:

- Full address details
- Telephone, Fax, E-mail and Website
- Contact name
- Company logo if required

Use the boxes below to set out your entries and indicate which categories they are to be placed under. You are not limited to four panels. You may have any number you wish.

Please ensure you have selected the categories in the free Classified Buyers' Guide/Regional Guide section as well.
