

Blinds & shutters

The guide to the
industry's leading web sites

The Blinds & Shutters guide to the industry's leading websites is a pull-out, full colour guide for companies in the industry who are looking to promote their web site or for companies who have just launched their web site and what to let others know.

The guide will reach over 5,500 specifiers & buyers - the blinds trade plus architects' practices, interior designers and shopfitters.

The guide is published on quality card and is produced twice a year to coincide with Issue One (January) and Issue Three (July) of Blinds & Shutters.
